

Title	Composer	Accompaniment Y/N	Publisher	Notes	
24 Vocalise for Transposition	Bordogni	N	Alphones Leduc	Best book for Transposition still?	
Advanced Studies of Aaron Harris	edited by David Bertie	N	Charles Colin	Very advanced technique needed but for the very advanced and focussed a very good book	
Characteristic Studies	H L Clarke	N	Carl Fischer	Great staple diet book and so much can be done with these exercises	
Complete Solfeiggi	Concone	N	Balquhidder	This is all Concone in one book, lyrical overload	
Cornet Method	Arban	N and Y for rep at the end	Boosey and Hawkes		
Concert Studies	Phil Smith	N	Curnow		
Daily Drills	Schlossberg	N	Baron	Good but comes with health warning	
Fantasy Pieces	Bourgeois	N	Brass Wind		
Method	Gatti	N	Rocordi		
New Directions in Tonguing	Burke	N	Charles Colin	I think this is out of print - shame - but I love this book for DT TT with more advanced students and they seem to love it	
Focal Point Exercises	Gekker	N	Charles Colin	Just been published January 2021 - its exercises setting the embouchure on C or E above middle C so for strengthening upper register and stamina. Used it daily and works for me.	
Grand Method	Claude Gordon	N	Carl Fischer	Does what it states on the tin!	

How Brass Players Do It	Ridgeon	N	Brass Wind	Classic lip slurs from basics to advanced
Lyric Studies	Marcato	N		
Etudes for Trumpet	Brandt	N	Leeds (my copy is very old)	
Physical Approach	Charlier	N	Alphonse	Love this
Technical Exercises	H L Clarke	N	Carl Fischer	Does what it states on the tin!
